

FRIENDS Consult

Delivering Effective Solutions

14th June 2019

INTERNSHIP OPENINGS – 4 POSITIONS

We are a Ugandan registered consulting firm that offers capacity building, technical assistance, other management consulting services and executive training for improved performance in the following sectors:

- Microfinance/ financial inclusion
- Banking and related financial services
- Corporate business and SME development
- Social/ economic development (including agribusiness and agricultural finance)

We work both within Uganda and internationally. As part of our contribution towards national skills development, we are opening up **four** internship positions for young professionals who desire a future career in consulting. Successful applicants will be recent bachelors or masters graduates in commerce, business administration/studies, accounting, finance, economics, statistics, agriculture or closely related fields. The internship period will be six months, during which the interns will be paid for their transport, lunch and a small stipend.

Candidates with Upper Second Honours or higher class degrees are particularly encouraged to apply.

If you intend to develop a career in consulting and fulfil all the above specifications, apply by email with brief CV (max 3 pages, stating among other things your date of birth, qualification, personal traits and any experience) in Verdana font 9. Please enclose copies of your transcripts/ certificates (all in one PDF file with the CV) and send to the Managing Director, FRIENDS Consult Ltd on the following address:
